

## Mercer Lake Park Spectator's Guide

Please refer to the annotated aerial above to get your bearings for regattas at Mercer Lake Park. Team tents are set up along the river starting around the gazebo (indicated by the red arrow) and extending east through the stand of trees between the red arrow and the green arrow. Trailer parking for the crews is in the area indicated by the blue arrow, which is proximate to the launch docks. The finish line is indicated by the green arrow, and food and gift vendors are located in the clearing by the finish line along the river. Spectator parking is in the area indicated by the white arrow. Authorized team vehicles (e.g., tow vehicles) are permitted to park (with a permit) in the area between spectator parking and the finish line.
